Reasons to Participate in World Hemophilia Day 2013:

1. Connect with the global online community, on the WFH’s Facebook page at www.facebook.com/wfhemophilia, and share your hopes and wishes for the next 50 years.
2. Raise awareness of inherited bleeding disorders in your community.
3. Build support for your organization and mission.
4. Support advocacy efforts with government officials.
5. Collaborate with other members of the global bleeding disorders community.
6. Support your patient group or local chapter.
7. Spread the word about the global needs of people with bleeding disorders who reside in developing countries.
8. Educate new patients and their families.
9. Attract more volunteers and members.
10. Raise funds to support your activities.
11. Support your hemophilia treatment centre.
12. Adapt the World Hemophilia Day theme to further your own needs.
13. Support the World Federation of Hemophilia and its vision of Treatment for All.
